Introduction

During your recent inpatient stay at Whiston or St Helens Hospital, you were visited by a member of the Specialist Diabetes Team.

If any changes were made to your diabetes treatment during this admission and you have any queries, please do not hesitate to contact us (see back of this leaflet for contact numbers).

Specialist Diabetes Team

The Specialist Diabetes Team based at Whiston and St Helens Hospital are dedicated to providing high quality care for people with diabetes and have won awards for the standard of care they provide.

If you are experiencing any problems with you diabetes or would like the opportunity to discuss your diabetes care with a **specialist** you can ask your GP to refer you.

Follow up

You may need or have requested an appointment to be seen in the Diabetes Centre once you are discharged from hospital.

You should receive this through the post.

If you are not being followed up at the Hospital please make arrangements for follow up with your GP or Practice Nurse.
