Subject: Care home discharges

REQUEST

Divided up by hospital, but if that is not possible then trust-wide figures are acceptable.

1. How many patients were discharged from the trust's hospitals to care homes, between March 1, 2020, and April 15, 2020?

2. Of those patients discharged, how many were tested for Covid-19 before discharge?

3. Of those patients who were tested, how many patients' results were:
 - a. Positive
 - b. Negative
 - c. Inconclusive

RESPONSE

The Trust does not hold the information in the format requested.
