Subject: Healthcare IT systems validation

REQUEST

Digital Health Intelligence is validating and checking the healthcare IT systems at your trust.

Can you review the attached spreadsheet of systems we have recorded for your trust and correct any mistakes, omissions or changes?

We would like to check that we have the correct supplier name, system name, date of installation and contract expiration date recorded for your trust's IT systems. Please could you also validate if the IT system is annually renewed or not?

RESPONSE

This information will be published as a matter of course once it has been compiled and verified in line with our Freedom of Information obligations. Therefore the Trust is withholding the information under section 22 of the FOIA as it is intended for future publication.

The Information you require will be published on the Trust website no later than April 2021.

Given the necessary preparation and administration involved in publishing the information, which includes liaison with other organisations, we consider that our publication timetable is reasonable.
