REQUEST

I would like to know how many **covid-related** capital bids have been approved centrally since **March 17** and was hoping you could answer a few questions. I've attached a spreadsheet with questions, that should make it easy to record each of the bids your trust has submitted. I've included an example in the spreadsheet.

To avoid confusion, covid-19 related capital refers to bids submitted in respect of the covid-19 capital expenditure scheme

<https://www.england.nhs.uk/coronavirus/wp-content/uploads/sites/52/2020/04/COVID-19-capital-reimbursement-process-27-04-20.pdf>. All other types of capital bids should not be included.

In addition, can you please tell me:

- The total value of your covid-related capital bids
- The total in funding you've received for covid-related capital bids.
- How many bids you have made and how many are awaiting central approval.

RESPONSE

Please see attachment for full list of covid-related capital bids which have been approved.

Additional information as requested:

- The total value of your covid-related capital bids - **£7,848k**
- The total in funding you've received for covid-related capital bids. **£5,171K**

- How many bids you have made and how many are awaiting central approval. ***53 requested – 50 waiting for central approval.***
