From: Public
Date: 23/11/20
Subject: Extraction of teeth & waiting times

REQUEST & RESPONSE

I would like to request, please, the following information under the Freedom of Information Act.

Please could you give the following figures for the six month period May 15 to November 15, separately, for the three years 2018, 2019 and 2020.

Q: The number of referrals to your trust for extraction of teeth in children (up to age of 18), over the six month periods

A: St Helens and Knowsley Teaching Hospitals NHS Trust does not hold the requested information, please contact Bridgewater Community Healthcare NHS Foundation Trust.

Q: The number of cancers of any type diagnosed in patients of all ages, broken down by stage of cancer, over the six month periods

Cancer Stage	2015	2018	2019	2020
Stage 0 - indicates that the cancer is where it started (in situ) and hasn't spread	14	9	20	11
Stage I - the cancer is small and hasn't spread anywhere else	263	260	192	262
Stage II - the cancer has grown, but hasn't spread	154	243	211	144
Stage III - the cancer is larger and may have spread to the surrounding tissues and/or the lymph nodes (part of the lymphatic system)	36	51	48	92
Stage IV - the cancer has spread from where it started to at least one other body organ; also known as "secondary" or "metastatic" cancer	20	127	127	51
Null	539	503	506	377
Total	1026	1193	1104	937

Q: The number of operable cancers of any type diagnosed in patients of all ages in the six month periods

A: St Helens and Knowsley Teaching Hospitals NHS Trust does not hold this information in the requested format.

Q: How many children have been waiting more than one year for extraction of teeth at your trust

A: St Helens and Knowsley Teaching Hospitals NHS Trust does not hold the requested information.
