REQUEST & RESPONSE

I wish to submit a request for some of the organisation's information around the internal plans and strategy documents around ICT.

The ICT documents I require is the most recent update.

I wish to obtain the following documents:

1. ICT/IM&T/IS Strategy- The IT department strategy or plans, highlights their current and future objectives.

Please see attached

2. ICT Org Chart- A visual document that presents the structure of the IT department, please include name and job titles. If this cannot be sent, please work towards a structure with job titles.

St Helens and Knowsley Teaching Hospitals NHS Trust does not have an IT department. This service is provided by Mid Mersey Digital Alliance (MMDA), which is a Shared Service Organisation which the Trust is Partner of.

Christine Walters is the Director of Informatics.

3. ICT Annual or Business Plan- Like the ICT strategy but is more annually focused.

Please see attached – This information is contained in the Strategy

4. ICT Capital Programme/budget- A document that shows financials budget on current and future projects.

The Trust considers your request to be exempt from disclosure in accordance with section 43.2 of the Freedom of Information Act as to release this information would, or would be likely to, prejudice the commercial interests of the Trust. The trust has applied the public interest test to this request and feels that the public interest in maintaining the exemption outweighs the public interest in disclosure.

If some of these documents are not valid, please state when the 2020 ICT documents are planned to be published.
