REQUEST & RESPONSE

Under the **Freedom of Information Act 2000**, please provide me with the following information, as I require this information for a project I am currently undertaking:

I can see the figures that you publish online, but these are deaths within 28 days of a positive Covid-19 test, so they could have died from other causes. I just want to know the exact figures between 1st February 2020 until the 31st December 2020 for the following questions:

Question 1

How many people have died in each of your hospitals between 1st February 2020 until the 31st December 2020?

Question 2

(As in they died ONLY due to Covid-19 and **did not have any comorbidities** at the time of death.)
