| Subject: | IT department and ICT services |

## REQUEST

Can you please send me a list of the Positions and structure of the full IT department and ICT services including Business intelligence, this should involve a tree structure from Director downwards, the job titles of every member including team names, banding and what job titles are in those teams. These should include Service desk, Technical Support, Network and Telecomms and desktop teams for example and all the other teams in the department. Pay banding should be included for every job tittle and total number of each job title in each team.

## RESPONSE

St Helens and Knowsley Teaching Hospitals NHS Trust does not have an IT department. This service is provided by Mid Mersey Digital Alliance (MMDA), which is a Shared Service Organisation which the Trust is Partner of.

Christine Walters is the Director of Informatics at the Trust (VSM)

The Business Intelligence structure for St Helens and Knowsley Teaching Hospitals NHS Trust has been attached.
