Subject: Spending financial year on translation services

REQUEST

1. The **spending per financial year on translation services (written) and interpreting services (oral)** for your organisation over each of the following 5 financial years: 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, as well as the languages involved. Please do not include data regarding the spending on services for the deaf and blind (such as sign language interpreting or Braille).

- 15/16 £108,972
- 16/17 £138,997
- 17/18 £187,211
- 18/19 £235,700.06
- 19/20 £224,977.41

Languages available are included as an attachment

2. The **total budget for your organisation** for each of the 5 financial years the information above is provided on, for all expenses not just for translation and interpreting services, i.e. to include all expenses such as salaries, utilities, equipment, consumables etc., with only the total figure given, no breakdown necessary. For example, I assume the total budget would be a few dozen or hundred million pounds per financial year. This is so that I can calculate the translation and interpreting spending as a percentage of the organisation's total budget (which I suspect would be around or under 0.1%).

St Helens and Knowsley Teaching Hospitals NHS Trust does not have a budget for translations services. They are provided as needed.
