Subject: Covid only deaths

REQUEST

I would like to know the following from St Helens & Whiston hospital:

Since 1st March 2020 how many patients have died in your hospital were only COVID-19 has been listed on the death certificate as the primary cause of death i.e. the death can attributed solely to COVID-19 and not any other underlying health conditions. If you could provide this data up to the most conveniently recent date that would be most helpful.

RESPONSE

Under section 21 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust do not have to provide information to the applicant which is easily accessible by other means. This information you require can be viewed here:
