## REQUEST

Can you please provide me with the name, contact number & email address of the person responsible for agreeing temporary nursing agency contracts for your Trust?

Please list all temporary nursing agencies used between November 2020 - present. (including off-framework suppliers)

Along with the above information can you please provide details on how often this is reviewed and the trusts current/future plans for recruitment agencies?

Finally if you can also provide details of the names of the decision makers who ultimately decide which agencies the Trust use?

3. Along with the above information can you please provide details on how often this is reviewed and the trusts current/future plans for recruitment agencies?

We utilise the Cheshire Mersey HTE Nursing agreement and will update our cascade in line with that agreement. We also will review if we've got specialist requirements that our current agencies cannot fulfil.
