REQUEST

What was your overall annual expenditure on nursing staff salaries for the most recent financial year available?

For the same year, what was your overall expenditure on external agencies providing nurses to work within the Trust?

For the same year can you tell me how many shifts were covered by Agency nurses and what proportion of overall shifts that is?

RESPONSE

1. £114,744,879 (final figures have not been approved by the board)
2. £3,136,633 (final figures have not been approved by the board)
3. 9,569 shifts. We are unable to provide the proportion of the overall shifts as we do not have the data available.
