

Ref. No: 112280521
From: Public
Date: 28/05/21
Subject: Testing positive for Covid19

REQUEST

1. The number of patients in your hospital(s) who tested positive for Covid19, having tested negative at their time of admission.

The period is the 1st April 2020 to the 31st March 2021.

An example of the requested format of information can be found at <https://www.cddft.nhs.uk/media/825633/09.20.53%20covid-19.pdf>.

RESPONSE

There were 146 definitive hospital onset COVID patients within the Trust between 1/4/20 and 31/3/21.
