## REQUEST

I would like an up to date figure on the number of people at Whiston hospital from March 2020 to June 2021 who have died directly of COVID without any other health conditions please.

## RESPONSE

There have been 137 deaths from 1<sup>st</sup> March 2020 – 22<sup>nd</sup> June 2021 where Covid 19 is the cause of death in section 1a on the Medical certification of cause of death without any underlying conditions in 1c, 1c or section 2.
