

Ref. No: 222020821  
From: Public  
Date: 02/08/21  
Subject: Elective treatment 52-week waiting list

## REQUEST

Please could you provide a breakdown of the number of patients who have waited over 52 weeks for elective treatment at your Trust by:

- i. Ethnicity
- ii. Whether or not English is their first language
- iii. Whether or not they have a learning disability

Some parts of the request may be easier to answer than others. Should this be the case, please release information as soon as possible.

If you require any clarification please contact me under your Section 16 duty to provide advice and assistance if you find any aspect of this FOI request problematic.

## RESPONSE

| <b>Ethnicity</b>                                    | <b>Number for 2020-21</b> |
|---|---------------------------|
| Black or Black British - Any other Black background | *                         |
| Other Ethnic Groups - Chinese                       | *                         |
| White - Any other White background                  | *                         |
| White - British                                     | 99                        |
| White - Irish                                       | *                         |
| Not stated  | 376                       |

Please note \* has been added when the number of patients is 5 or less, this information has been redacted to protect patient confidentiality and to ensure that patients can not be identified.

5 patients have been clinically coded as having a learning disability.

The Trust cannot provide the information on first language.
