REQUEST

Please can you tell me the number of people aged 16-34 who have been diagnosed with tinnitus since the year 2000?

If you are unable to date back to 2000 please can you supply the earliest data you have

Please could you send the data by year? I am trying to see if there has been an increase in diagnoses

RESPONSE

St Helens & Knowsley Teaching Hospitals Trust does not hold this information as we do not have a designated Tinnitus clinic.
