

Ref. No: 335151021  
From: Research  
Date: 15/10/21  
Subject: Dravet syndrome

## REQUEST

I am writing to you under the Freedom of Information Act 2000 to request the following information from neurology or psychology departments treating patients with Dravet syndrome, for the purpose of researching the services provided for patients with this condition.

Please detail:

- What services are provided by your hospital for patients with Dravet syndrome?
  - Treatment initiation
  - Titration of dose (consider both starting and maintenance treatment)
  - Monitoring (incl. echocardiographies, liver function tests, etc.)
  - Review of clinical presentations (frequency, duration)
  - On-going prescription of treatments
  - Completing the Blueteq forms
  - Other ....
- If services are not provided at your hospital
  - Where are patients referred to?
  - What services do they receive at the other location (see above list for examples)?

We would like to later publish the information provided in your response, in line with Re-Use of Public Sector Information Regulations (18th July 2015). Information will be reproduced accurately and not used to mislead.

We **do not** require any information that includes identifiable patient information or costs/commercial arrangements.

## RESPONSE

St Helens & Knowsley Teaching Hospitals Trust does not hold this information. Please re-direct your request to The Walton Centre who provide this service.

They can be contacted via email or post;

Email [enquiries@thewaltoncentre.nhs.uk](mailto:enquiries@thewaltoncentre.nhs.uk)

Or post to:

Freedom of Information Officer,

Second Floor,

Sid Watkins Building,

Lower Lane,

Fazakerley,

Liverpool,

L9 7BB.
