REQUEST

Given that the outlined request will exceed the time limit to gather the data we aim to refine the request for the data set.

Instead of data since 2010 we kindly request data from 2015 onwards – reducing the scope by half. If this still exceeds the time constraints outlined in your response we would kindly ask for you to collate the requested data up until the time limit.

RESPONSE

Capital expenditure is also detailed in the Trust Annual Report and Accounts which are available on the Trust website. - <https://www.sthk.nhs.uk/>
