

Ref. No: 405011221
From: Commercial
Date: 01/12/21
Subject: Electronic Healthcare Records

REQUEST & RESPONSE

Regarding Electronic Health Records (EHR):

1a) What primary EHR system does your Trust use, if any?

Careflow EPR

1b) Are electronic inpatient notes implemented in all sites within your Trust? If no, please state which sites do **not** have electronic notes.

Yes

1c) Is electronic recording of patient vital signs (i.e. including but not limited to blood pressure, oxygen saturations, etc) implemented in all sites within your Trust? If no, please state which sites do **not** have electronic observation recording.

YES

1d) Are electronic drug charts and prescribing implemented in all sites within your Trust? If no, please state which sites do **not** have electronic prescribing.

YES

Regarding EHR commissioning:

2a) Have you received any direction from a Clinical Commissioning Group (CCG) or Integrated Care System (ICS) regarding provision of past, present or future EHR systems?

NO

2b) Have you ever undertaken any formal negotiations with other hospital Trusts about jointly procuring an EHR system, and if so, please state with whom and whether negotiations resulted in joint procurement of an EHR system?

Yes – Royal Liverpool and Aintree. No re joint procurement.

Regarding EHR interoperability:

3a) Assuming your Trust contains multiple hospital sites, are your EHR users

able to directly access inpatient electronic notes from different hospital sites within your Trust?

YES

3b) Aside from NHS spine summary care records (SCR), are your EHR users able to directly access patient records held by local **primary care** EHRs (e.g. by using an EHR web portal, or healthcare information exchange etc)? If yes, please specify the name of the system that enables this.

Yes - Carecentric

3c) Aside from NHS spine summary care records (SCR), are your EHR users able to directly access patient records held on a **separate hospital Trust's** EHR? If yes, please specify which Trust's EHR where this interoperability is enabled.

No
