

Ref. No: 543230222  
From: Public  
Date: 23/02/22  
Subject: Consultant job planning at your Organisation.

## REQUEST

1. What was the annual cost for the Trust's current consultant job planning software in 2020 to 21.
2. Which software provider does the Trust use for consultant job planning
3. What is the contractual end date of your current consultant job planning software

## RESPONSE

1. What was the annual cost for the Trust's current consultant job planning software in 2020 to 21.

Unable to answer - this is one module in a suite of software purchased and they are not individually costed in the contract.

2. Which software provider does the Trust use for consultant job planning

Allocate

3. What is the contractual end date of your current consultant job planning software

31.03.2024
