

Ref. No: 589160322  
From: Public  
Date: 16/03/22  
Subject: Popliteal Artery Entrapment Syndrome

## REQUEST

I am writing today to request a freedom of Information in regards to specifically what time scale of being diagnosed with **Popliteal Artery Entrapment Syndrome** to having surgery, or similar Compression of the arteries (lower leg). I would be grateful if you could give me the figures from:

2017-2018  
2018-2019  
2019-2020  
2020-2021  
2021-2022

## RESPONSE

All patients identified with this condition are treated at the Royal Liverpool Hospital. None are treated at St Helens and Knowsley Hospital Trust
