Subject: Information Regarding Revolade

REQUEST & RESPONSE

The purpose of these questions is to understand the variability of treatment within your trust and in context to the rest of the country.

Q1. How many patients has your trust treated (for any disease) in the last 6 months (or the latest 6 months data you have available) with the following treatments:

- Revolade (eltrombopag) **19 Patients issues 1/10/2021 - 31/03/2022**
- Nplate (romiplostim) **<5 Patients issues 1/10/2021 - 31/03/2022**

Please note <5 has been added where the number of patients is 5 or less, this information has been redacted to protect patient confidentiality and to ensure that patients can not be identified.

- Doptelet (avatrombopag) **0 Patients**
- Tavlesse (fostamatinib) **0 Patients**

Q2. In the last 6 months (or the latest 6 months data you have available), how many patients has your trust treated for immune thrombocytopenia (ITP)?

The Trust do not hold this information. To identify if treated would need a manual review of records and this exceeds cost limit.

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a

request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

Q3. Of the patients treated for immune thrombocytopenia (ITP) in the last 6 months (or the latest 6 months data you have available), how many were treated with:

rituximab

mycophenolate mofetil

surgery (splenectomy)
