

Ref. No: 035190422
From: Public
Date: 19/04/22
Subject: Racism against NHS staff

REQUEST

- 1) Please tell me how many times your Trust has logged an incident of racist/xenophobic behaviour from patients towards staff in 2021.
- 2) For the five most recent cases, please tell me
 - a) the job title of the member of staff against whom the behaviour was levelled
 - b) a brief summary of the content of the complaint (e.g. patient told black doctor to "go back to where he came from" raised voice and used profanities)
 - c) the action taken by the Trust.

RESPONSE

Abusive type	2021
Racial	<5

Please note <5 has been added where the number of staff is 5 or less, this information has been redacted to protect staff confidentiality and to ensure that individuals can not be identified.
