From: NHS  
Date: 25/04/22  
Subject: Haematology services

## REQUEST & RESPONSE

Please note the questionnaire refers only to Adult Haematology services.

- 1) Does your Trust have a Clinical Haematology service for Adults?

**Yes**

If *No*, please return the questionnaire at this stage – there are no further questions that need to be answered.

- 2) If *Yes*, please complete the staffing table below:

Staff type	Job Title	Number of WTE (insert number below)	Vacancies (insert number below)
Medical	Consultant Haematologist	5.5	0.6
	Haematology Specialty Doctor	0.6	0.0
	Haematology Specialist Registrars	1.0	0.0
	Ward based Junior Doctors (CMT/FY)	3.0	1.0
Nursing	Haematology Clinical Nurse Specialists (Band 7)	1.8	0.0
	Other specific support to the CNS team e.g. Band 4 support? (this should not include haematology nurses working in a day unit setting)	1.0	0.0
Admin Support	Band 2		

(e.g. support secretary, secretary, PA)	Band 3	3.4	0.0
	Band 4		

- 3) If you have Haematology Clinical Nurse Specialists, please advise on how their jobs are split, for example 1.0WTE Myeloma CNS, 0.8WTE BMT CNS etc.

**Haem CNS not split by specific Haematology conditions. They have full job plans that reflect the needs of the service**

- 4) Which of the below haematological services does your Haematology service cover?

	Yes/No
Lymphoma Service	No
Myeloid Service	No
Myeloma and Plasma-Cell Dyscrasia Service	No
Blood and Marrow Transplant (BMT) Service	No
Haemoglobinopathies Service	Yes
General Haematology	Yes
Bleeding Disorders	Yes
Thrombosis	Yes
