

Ref. No: 582140322  
From: Research  
Date: 14/03/22  
Subject: Diagnosis and treatment of immune thrombocytopenia.

## REQUEST

I have some questions about the diagnosis and treatment of immune thrombocytopenia.

Q1. In the last 6 months, how many patients has your trust treated (for any condition) with the following treatments

- Avatrombopag
- Eltrombopag
- Fostamatinib
- Romiplostim

Q2. In the last 6 months, how many patients has your trust treated for Immune thrombocytopenia (ICD10 code D69.3)?

Q3. In the last 6 months, how many patients has your trust treated for Immune thrombocytopenia (ICD10 code D69.3) ONLY with the following treatments:

- Avatrombopag
- Mycophenolate mofetil
- Rituximab
- Surgery (splenectomy)

Q4. Does your trust participate in any clinical trials for the treatment of Immune thrombocytopenia? If so, can you please provide the name of each trial and the number of patients taking part.

## RESPONSE

### Question 1

Drug	Number of Patients
Avatrombopag	0
Eltrombopag	17
Fostamatinib	0
Romiplostim	<5

Please note <5 has been added where the number of patients is 5 or less, this information has been redacted to protect patient confidentiality and to ensure that patients can not be identified.

### Question 2

**The Trust can only provide a list of patients diagnosed during their inpatient stay with Immune thrombocytopenia (ICD10 code D69.3), we cannot identify their treatment plan as this would require a manual review of their health records which would unfortunately take too much clinical time to do.**

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

### Question 3

**The Trust can only provide a list of patients diagnosed during their inpatient stay with Immune thrombocytopenia (ICD10 code D69.3), as above, we cannot specify their treatment plans as this would require a manual review of health records which would unfortunately take too much clinical time to do.**

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with your request would exceed the appropriate limit of £450. The appropriate limit has been specified in regulations. This represents the estimated cost of one person spending 2½ working days in answering the remainder of your questions. Under section 12 of the Freedom of Information Act the Department is not obliged to comply with your request and we will not be processing your request further.

### Question 4

**There are no current trials for ITP.**
