Subject: Shared Care Record

REQUEST

This FOI request refers to a "Local Care Record" or "Shared Care Record". This is defined as a way to electronically access patient data from outside your Trust (e.g. from local GP surgeries, or other local hospitals/healthcare providers). This includes software like a clinical portal or healthcare information exchange (HIE), or a point-to-point interface. This does not include access to NHS spine summary care records.

1a) In what year was the first implementation of a Local Care Record/Shared Care Record in your Trust?

1b) Please specify the name and vendor (software supplier) for this first Local Care Record/Shared Care Record implementation.

1c) What local providers did this Local Care Record/Shared Care Record include? For GPs please specify the region(s). For hospitals, please name the hospital.
