

Ref. No: 055270422
From: STEPTOE, Hayley (KETTERING GENERAL HOSPITAL NHS)
Date: 27/04/22
Subject: Cancer services

REQUEST

Breast, Colorectal Head and Neck and Oesophageal cancer.

Please enter data which is accurate on the 16th of May 2022, to make this data comparable to information gathered from other trusts, a snap shot of this particular day, as a census of data.

Guidance

Data collection is from secondary care trusts in a cancer alliance only.

Whole time Equivalent (WTE)

1.0 WTE equivalent equates to 37.5 hours as per employees' contract, please exclude additional bank shifts on top of staffing establishment. please provide data in WTE or hours worked, if unable to do so. WTE this is easily worked out by dividing the number of hours worked as per contract by 37.5 = equals WTE.

AHP professionals who should be included Dieticians, speech and language therapist, stoma nurse, reconstructive nurse, specialist, prosthesis, tracheostomy/laryngectomy nurse, specialists, metastatic nurse, physiotherapist, lymphedema nurse, cancer support worker bands 3 to 9. as long as they are attached to the specific cancer site and work 50% plus of their time within that site.

Cancer is not required to be in their post holders job title.

Please only give numbers of new cancers patients over the 12 month period. This may include cancer of unknown primary under the care of your service.

Inclusion criteria

Please include only post holders who are employed at your trust, rather than employed over a regional area or cancer alliance group/ cancer centre.

Please included vacancies within the overall numbers. There is no need to separate data.

Please include all agenda for pay scales bands 3 to 9.

Post holder must work 50% plus, of their time within the site specific cancer and are patient facing, giving direct patient care. Inclusive of telephone calls/clinic time, MDT, caring for inpatients.

Exclusion criteria

please do not include generic AHP who work across other cancer sites, like chemotherapy nurses or palliative care nurses. Please do not include research nurses, radiographers, If there are lymphedema nurses, physiotherapist or counsellors attached to the specific site, please add them to AHP WTE box column 3

If unclear as to include the post holder or not, please write it in the comment box provided with WTE or hours.

Please exclude recurrences or those who present with metastatic disease following treatment of a primary.

RESPONSE

| St Helens and Knowsley Hospitals Trust | Number of new cancers patients diagnosed at your Trust from 1 st of Jan 2021 to 1 st of Jan 2022 | comments |
|--|--|---|
| Breast | 278 | Based on patients diagnosed with cancer ICD10 code: C50 - breast D05 – breast in situ |
