

Ref. No: 522110222
 From: Public
 Date: 11/02/22
 Subject: Private Patient Third Party Involvement

REQUEST

1. Does the organisation receive private patient income from third parties? For example for delivery of private patient services, for renting of space, through a commercial agreement etc.
2. If yes, please state the name/names of the third parties? For examples HCA, BUPA, Spire Healthcare
3. What category of income does the organisation receive from the third party, please tick the options that apply in the table below:

Category of Income	Tick Below
Joint Venture (a commercial arrangement between two or more participants)	
Rental of estates or hospital space	Yes
A Profit Share Agreement (an agreement between two or more entities who pool resources and agree to split earnings by sharing profit on a pre-agreed ratio)	
Payment by Activity (is a form of financing that makes payments contingent on results for example number of patients treated, number of procedures completed)	Yes
Other (please state)
