

Ref. No: 592170322  
From: Press  
Date: 17/03/22  
Subject: Treatment Waiting Times

## REQUEST

I would like more information than is currently being published under the Consultant-led Referral to Treatment Waiting Times data publication.

- (1) At the end of January 2022, how many patients were waiting more than 156 weeks to start treatment (incomplete pathways) after being referred?
- (2) At the end of January 2022, how many patients were waiting more than 208 weeks to start treatment after being referred?
- (3) At end of January 2022, what was the longest period of time (in weeks) that a patient was waiting to start treatment after being referred?
- (4) By which department was the patient in question (3) waiting to be seen?

## RESPONSE

- (1) At the end of January 2022, 0 patients were waiting more than 156 weeks to start treatment (incomplete pathways).
- (2) At the end of January 2022, 0 patients were waiting more than 208 weeks to start treatment (incomplete pathways).
- (3) At end of January 2022, the longest period of time (in weeks) that a patient was waiting to start treatment (incomplete pathways) was 125 weeks.
- (4) The department has not been included where the number of patients is 5 or less, this information has been redacted to protect patient confidentiality and to ensure that patients can not be identified.
