REQUEST

We are doing some research into how NHS trusts in the region are using accommodation from the private sector to solve occupation issues in the hospitals and any other types of issues.

Are you able to provide some data to support out study?

1. Does the NHS trust use private accommodation under a lease agreement to support NHS day to day services?
2. If so, are you able to provide the total expenditure for this accommodation?
3. Are you able to provide the type of solutions these properties might provide the trust?
4. Can you confirm if there is a demand for accommodation in the local area, if so, what specifically are the requirements?

RESPONSE

1. YES
2. £336,000
3. Staff accommodation for Doctors/Nurses/International recruitment
4. Not a question the Trust can answer
