Subject: Software and data quality management

## REQUEST & RESPONSE

I am a University student looking at the use of software and data quality management in the NHS to aid the recovery and restoration work following the Covid pandemic. To help with my research, I would like you to request the following under the Freedom of Information Act.

- Do you use a single data warehouse?  
**Yes**
- Is your data warehouse built in-house or do you have a contract with an external supplier? If external, who is your supplier and when is your contract with them due to expire?  
**Built in house**
- Are you considering replacing or procuring a new data warehouse in the next 12-18 months?  
**No**
- Who is responsible for decisions about your data warehouse?  
**Assistant Director of Information, Darran Hague**
- Do you use a software product for your statutory returns?  
**No.**
