REQUEST

Re: Whiston Hospital A&E & physiotherapy Patient admission / walk-in statistics

Please can you provide the following information for the following for periods 2019-2022 inclusive, split by month.

Number of patients seen with the following reported or confirmed complaints, post vaccine administration.

Tightness of chest, swelling.

Rapid heart rate.

Unable to move arm/shoulder.

Concerns for heart attack.

Swollen lymph nodes.

Sustained weakness/complaint with arm/shoulder.

If you hold the same information for patients referred to physiotherapy

RESPONSE

Under section 12 of the Freedom of Information Act St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request if we estimate that the cost of complying with the request would exceed the appropriate cost limit of £450. The appropriate limit has been specified in the Freedom of Information (Appropriate Limit and Fees) Regulations 2004 associated with the Act. The £450 cost limit represents the estimated cost of one person spending 18 hours answering the questions asked.
