Subject: Trust services

REQUEST

Can you please supply the names of all the providers for each of the different services, whether any provider has a contract and the length of the contract as per request?

RESPONSE

Can you please supply the names of all the providers for each of the different services, whether any provider has a contract and the length of the contract as per request?

Non-Emergency Patient Transport Services (NEPTS) - North West Ambulance Service

Pathology Courier Services - Medirest (as part of the PFI Agreement until 2028)
Any other Courier Services ?

Patient Taxi services (used for discharged patients, with vulnerable patients being accompanied by a member of staff. Also used to transport patients with therapy staff to undertake assessments within patient homes prior to discharge) – Brittainia and All Black Cabs they are not CQC registered and it is a rolling contract
