REQUEST

Public Facing NHS Trust Website

1. What CMS/software and version does your public facing NHS Trust website use? (e.g. In-house, Sharepoint, Jadu, Drupal 7)
2. Is your public facing NHS Trust website hosted and supported by a third party IT partner or on-premise? If a third party, when does your current contract expire?
3. When was your public facing NHS Trust website launched?
4. What are your separate budgets for hosting/supporting and development for your public facing NHS Trust website?
5. Which team/department/individual is responsible for maintaining your public facing NHS Trust website?

Digital Accessibility

1. When was your public facing NHS Trust website last audited for accessibility compliance?
2. Which team/department/individual is responsible for maintaining accessibility compliance across your public facing websites?

Website Content

1. Do you work with external marketing/communications suppliers to create content for your public facing services?
2. When was the last time you conducted a content audit on your website to remove outdated content?
