

Ref. No: 273
From: Public
Date: 20/01/23
Subject: Molecular PCR devices

REQUEST & RESPONSE

1. Does the Trust use molecular PCR devices?

Yes.

2. What devices does the Trust use?

- Cepheid's GeneXpert
- SAMBA II
- Panther Fusion
- Serosep EntericBio
- Serosep RespBio

3. How many devices does the Trust have?

- Cepheid's GeneXpert – 4 (1x 16 module, 3x 4 module)
- SAMBA II – 9
- Panther Fusion – 1
- Serosep EntericBio – 1
- Serosep RespBio – 1

4. What molecular pcr tests does the trust run on these devices?

Cepheid's GeneXpert

- Xpert Xpress SARS-CoV-2/Flu/RSV
- Xpert Xpress SARS CoV2
- Xpert MRSA NxG
- Xpert MRSA/SA BC
- Xpert MRSA/SA SSTI
- Xpert vanA/vanB
- Xpert Norovirus
- Xpert C.difficile

SAMBA II

- SAMBA II SARS-CoV-2

Panther Fusion

- Aptima Flu A/B/RSV
- Aptima SARS-CoV-2
- Aptima Mycoplasma genitalium
- Aptima Trichomonas vaginalis
- Aptima Combo 2
- Aptima Neisseria gonorrhoeae
- Aptima Chlamydia trachomatis
- Aptima Herpes Simplex 1 & 2

Serosep EntericBio

- ENTERICBIO GASTRO PANEL 2
- ENTERICBIO C. DIFFICILE

Serosep RespBio

- RESPIBIO PANEL 3

5. What is the cost per test?

Unable to provide this information as commercially sensitive.

6. Does the Trust have a contract for these devices/tests?

Yes.

7. When is the contract up for renewal?

Unable to provide this information as commercially sensitive.
