REQUEST

I am conducting a study of the emergency preparedness of NHS Acute Trusts in England. I am using the emergency and disaster management module of the Hospital Safety Index checklist of the World Health Organisation. The study is part of an MSc in Crisis & Disaster Management at the University of Portsmouth.

Following a recent Information Commissioner's decision, given here:

<https://ico.org.uk/media/action-weve-taken/decision-notice/2023/4023596/ico-204648-c916.pdf>

I am writing to request a contact e-mail address for the Trust's Emergency Preparedness, Resilience and Response staff in order that I can discuss seeking further information for my study from them.

Please note that I am not requesting any personal information that would breach data protection rules.
