Subject: VTE Risk Assessment

REQUEST

Thromboprophylaxis

- 1. Does the Trust routinely meet the 95% VTE Risk Assessment level required by NHS England?**

National reporting for VTE risk assessment compliance has been suspended since April 2020.

- 2. Please provide the monthly percentage (admissions numbers/VTE risk assessments carried out) for VTE risk assessments carried across the Trust between 1st January 2022 – 31 December 2022.**

Data no longer collected; however, a snapshot audit is taken monthly.

- 3. Does the Trust have dedicated funding for a team ensuring VTE prevention occurs?**

Yes. Two part-time VTE Nurses.
