

Ref. No: 390  
From: Commercial  
Date: 12/02/23  
Subject: Immunoassay Analysers

## REQUEST

Please provide details of the type (manufacturer and model), quantity, department, site where they are located, and age of all point-of-care Immunoassay Analysers listed on your Trust's asset register (or equivalent).

Specifically the following:

| Manufacturer / Distributor         | Analyser                            |
|------------------------------------|-------------------------------------|
| Radiometer                         | AQT90 FLEX                          |
| LumiraDx                           | LuimiraDx                           |
| Quidel / Alere                     | Triage Meter / MeterPlus / MeterPro |
| Roche                              | H232                                |
| Siemens                            | Stratus                             |
| Siemens                            | Atellica VTLi                       |
| AB Scientific / Mitsubishi         | Pathfast                            |
| bioMérieux                         | Mini Vidas                          |
| Thermofisher /<br>Thermoscientific | BRAHMS PCT-direct                   |
| Samsung / Thermofisher             | LabGEO                              |

## RESPONSE

- Radiometer AQT90 x1 – A&E Dept – 2 years old
- Quidel Triage Meter x1 – Biochemistry Dept – 2 years old
- LumiraDx x10 (not yet in use). Will be used for Frailty Virtual Ward, Community COPD Team, Urgent Treatment centres, and A&E Dept.
