REQUEST & RESPONSE

Please could you provide the name(s), manufacturer(s), and annual cost(s) of the third-party product used by your Trust? Does the Trust store surgical video recordings on NHS computer systems, or does it use a third-party product?

Third party: Laparoscopic Towers, Karl Storz CPU, model number: 200046120. Towers are maintained internally by Trust Electrical and Biomedical Engineering (i.e., no cost for service contract).
NHS computer systems: Trust data centre (no charge).

Is the explicit consent to record the procedure part of routine care or is there an additional consent process?

Additional consent process for medical photography, routine care covered under GDPR.
