Subject: Tech Contract Expiry Update

REQUEST

We are researching and compiling information about NHS Trusts' use of technology. According to our records, your Trust's contract with Dedalus for Laboratory Information Management System is expiring this *month* (or has expired already). Also, an update on the technology below would be helpful.

Technologies	Supplier Name	Software/system Name	Expiry Date
Theatre scheduling system	GE Healthcare	Opera	Feb-23

Please could you confirm whether you have agreed on a contract with a new supplier (if so what are the contract length and name of the supplier and system in question), or if you have extended your contract with your existing supplier? If neither, please provide details of what's happening at the minute (e.g. the Trust is procuring a new system, the Trust is developing an in-house solution etc).

RESPONSE

Dedalus contract for LIMS has been rolled over for another 12 months, until 30/04/2024.

Theatre scheduling system with GE Healthcare to be extended for another 12 months, until Feb-24.
