Subject: Outsourced Diagnostic Imaging

REQUEST & RESPONSE

I would be very grateful if you could provide, under the Freedom of Information Act, information with respect to the following:

1. Please provide information for the following financial years, 2017/18, 2018/19, 2019/20, 2020/21, 2021/22, 2022/23, for the respective diagnostic imaging data:

- a. Volumes of CT, MRI, and PET CT scans, split by scan type performed
- b. The volume MRI, CT, and PET CT scans, split by scan type and which providers you outsource the scans too

Please find information attached for the above questions.

c. Please provide outsourcing price per scan split by CT, MRI, and PET CT

CT – £300 per exam
MRI – £2350 per day for MRI

2. Can you please provide details of all the current CT, MRI, and PET CT outsourcing contracts you currently have in place; can you please include the following data where possible:

- a. Scan modality: MRI
- b. Contract length: Annual / framework
- c. Agreed pricing and volumes: Day rate £2350 / around 30 pts
- d. KPI or performance metrics and any data on how they are performing: N/A – for MRI, the van arrives here on set days and we book the patients and report.
