REQUEST

Dear St Helens and Knowsley Hospitals NHS Trust,

1. Do any patients at your Trust's adult eating disorder service have 'Advance Decisions/Directives to refuse medical treatment' (ADRTs) recorded on their electronic records? (It is NHS policy that all ADRTs must be recorded on patients electronic records).
2. How many adult eating disorder patients ADRTs have 'Advance Decisions/Directives to refuse medical treatment' (ADRTs) currently recorded on their electronic records?

Yours faithfully,

Frances Marshall

RESPONSE
