

Ref. No: 752  
From: Public  
Date: 23/02/23  
Subject: COIL wait times

## REQUEST

Average waiting time for coil fitting (both copper & hormonal) for use as contraception across all sites that provide this service within your area of commission. The preferable time period is 2021 - present, if possible. If not, 2021 to the most recent data available will suffice.

- Longest waiting time for coil fitting (both copper & hormonal) for use as contraception across all sites that provide this service within your area of commission since 2013.

## RESPONSE

We do not provide contraception services in the gynaecology unit .  
We fit coils only for gynaecological reasons.  
The coil has contraceptive effect but we don't provide contraceptive services.  
Family planning clinics run coil fitting for contraception
