RESPONSE

Section 12: cost of compliance exceeds the appropriate limit

The Trust would need to undertake a manual review of records within the requested time period to provide an answer to this request.

Under Section 12 of the Freedom of Information Act, St Helens & Knowsley Teaching Hospitals Trust does not have to comply with a request where it is estimated that the cost of compliance would exceed the appropriate limit of £450. The appropriate limit is specified within the regulations and represents the estimated cost of one person spending 2½ working days answering the request, either wholly or partially.
