Subject: Tech Contract Expiry

## REQUEST

**This request is for STHK ONLY**

We are researching and compiling information about NHS trusts' use of technology as part of our ongoing coverage of the NHS tech landscape. According to our records, your trust's contract with the supplier below is expiring (or has expired already).

Technology	Supplier Name	Product Name	Contract ending date
Theatre scheduling system	GE Healthcare	Centricity Opera	28-02-2023

Please could you confirm whether you have agreed a contract with a new supplier (if so what is the contract length and name of the supplier and system in question), or if you have extended your contract with your existing supplier? If neither, please provide details of what's happening at the moment (e.g. the trust is procuring a new system, the trust is developing an in-house solution etc).

## RESPONSE

The above system has been renewed for 2 years
