

Ref. No: FOI0146  
Date: 24/07/2023  
Subject: Sustainability Working Group

## REQUEST

1. Does your Trust have a sustainability working group / board?
2. If your Trust does have sustainability working group(s), how many are there and what do they focus on?
3. If your Trust does have sustainability working group(s), how many people in total attend meetings for this group (from the last three meetings)?
4. If your Trust does have sustainability working group(s), how many clinicians in total attend meetings for this group (from the last three meetings)?

In the case that it is not possible to answer questions 3-4, would it be possible to obtain minutes and / or a list of attendees with job roles.

## RESPONSE

### Response for Southport and Ormskirk Hospitals NHS Trust only

1. Does your Trust have a sustainability working group / board?

Yes

2. If your Trust does have sustainability working group(s), how many are there and what do they focus on?

One main group focusing on action plan developed from "Green Plan" which includes decarbonisation of estate, creating green areas on site, offering plant-based food on menu, working with supplies to help reduce their environmental impact, reduction / change of medical gases, changing to EV transport and many other projects.

3. If your Trust does have sustainability working group(s), how many people in total attend meetings for this group (from the last three meetings)?

See below for list of attendees – approximately 6 members have attended the last 3 meetings.

**4. If your Trust does have sustainability working group(s), how many clinicians in total attend meetings for this group (from the last three meetings)?**

See below for list of attendees – We have 0 clinicians attending these meetings.
