

Ref. No: 0214
Date: 25/08/23
Subject: Systems Presently in Use

REQUEST

1. eRota / rostering of all clinical staff of all types (Doctors, Nurses, and other Allied Health Professionals)
2. Patient Administration System (PAS)
3. Electronic Patient Record (EPR)
4. Booking outpatient clinic rooms and operating theatres
5. Booking patients onto lists
6. Waiting time information for elective / planned care, A&E, and cancer (this should include the patients NHS number)
7. HR system

RESPONSE

S&O Response

1. HealthRoster
2. Careflow
3. Careflow
4. We don't have a system for this presently
5. Bluespier is used for booking patients onto Theatre lists, Careflow is used for other lists
6. We use a combination of in house reports via BI, elective waiting list information is also transferred to IECCP and cancer pathways are captured in Somerset Cancer Register
7. ESR

STHK Response

1. HealthRoster
2. Careflow EPR
3. Careflow EPR
4. We don't have a system for this presently

5. Careflow EPR is used for other lists. Our theatre system is Opera.
6. Careflow EPR is used for waiting time information for elective/planned care and A&E. Somerset system is used for Cancer.
7. ESR
