Subject: NHS Trust staff gender identity training

REQUEST

This request is for both STHK & S&O

What training has been delivered to staff within the Trust relating to gender identity, within the period 1st August 2022 to 1st August 2023?

I would like a list of all the sessions delivered to staff. If a course has been delivered multiple times, please list each instance separately. For each one, I would like to know:

- What was the session title or topic (if known)?
- Was the session delivered (even if only partially) by someone external to the Trust?
 - o If so, who?
 - o How much was paid to them for this?

For “gender identity”, please include any training which is likely to include a significant amount of content about transgender and non-binary people (and related LGBT+ issues). Therefore, if the training is entitled “Why is Pride important?”, or “Supporting LGBT+ patients”, or “Using pronouns”, these are each likely to include information about gender identity, and I would like you to include them.
