

Ref. No: FOI0095
Date: 03/08/23
Subject: homecare medicine services provider

REQUEST

This request is for STHK & S&O

1. Does your trust employ one or more homecare medicine services provider(s) to deliver and/or administer medicines to patients in their normal residence? If so, what is the name of the provider(s)?
2. For each provider, how many active patients currently receive your homecare medicines service as of 31 July 2023?
3. For each provider, how many of these patients are administered medicines as part of the homecare service as of 31 July 2023?
4. For each provider, please provide a list of medications delivered and/or administered through this service.
5. For each provider, how many patient safety incidents were reported in the most recent reporting period for which you have data, and in the comparable reporting periods in 2022 and 2021 (eg if giving figs for July 2023, please also give figs for July 22 and July 21)? Please state what period the figures are for,
6. For each provider, As a proportion of all deliveries, what percentage of medicine and ancillaries deliveries were late in the most recent reporting period for which you have data), and in the comparable reporting periods in 2022 and 2021 (eg if giving figs for July 2023, please also give figs for July 22 and July 21)? Please state what period the figures are for.
7. For each provider, As a proportion of all deliveries, what percentage of medicine and ancillaries deliveries failed in the most recent reporting period for which you have data, and in the comparable reporting periods in 2022 and 2021 (eg if giving figs for July 2023, please also give figs for July 22 and July 21)? Please state what period the figures are for.
8. For each provider, As a proportion of all clinical services, what percentage of clinical services were late in the most recent reporting period for which you have data, and in the comparable reporting periods in 2022 and 2021 (eg if giving figs for July 2023, please also give figs for July 22 and July 21)? Please state what period the figures are for.

9. For each provider, what proportion of the KPIs for homecare services did your service meet in in the most recent reporting period for which you have data, and in the comparable reporting periods in 2022 and 2021 (eg if giving figs for July 2023, please also give figs for July 22 and July 21)? Please state what period the figures are for.

RESPONSE

Pharmacy Response

Question 1

Sciensus, Polarspeed, HealthNet & Lloyds

Question 2

We cannot split this into individual providers, but we currently have 1546 active patients receiving treatment through homecare providers.

Question 3

<5

Please note <5 has been added where the number of individuals is 5 or less, this information has been redacted to protect the confidentiality of individuals and to ensure they cannot be identified.
