## REQUEST

### This request is for **STHK ONLY**

I would like to obtain information on any adult patients who have been admitted to hospital under medicine (not A&E attendances themselves, only those who are admitted to medical beds) from 01/08/21 to 31/07/2022.

I do not require any identifiable details but would like to know the male and female distribution.

For example X males, Y females and Z other genders, aged 18 and over were admitted to Whiston hospital under medicine between 1/8/21 and 31/7/22.
